CONTRACTS FOR CUCUMREBS

The Keokuk canning company of Keokuk, Iowa, and having their principal Michigan office at Lansing, announce that they have purchased the plants, business contracts and good will of the Robinson Cider Vinegar & Pickle Company at PawPaw, Lawton and Mattawan. They desire not only to retain all the contracts of the Robinson Co., but to add to their list many farmers who have not yet fully realized the profit and opportunity in the pickle business. Contracts may be made at Longwell Bros ' store, and in due time seed will be there for distribution. Wm. Rickerson is also working contracts for Paw Paw station. At Lawton contract at Packers' store, in Mattawan at Ryan Bros.'

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood,

Weak and unhealthy kidneys are responsible for much sickness and suffering, therefore, if kidness

trouble is permitted to continue, serious re sults are most likel! to follow. Your other organs may need attention, but your kidnevs most, because they do most and should have attention first. Therefore, when your kidneys are weak or out of order, you can understand how quickly your en-

tire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root. A trial will con-

vince you of its great merit.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest because its remarkable health restoring properties have been proven in thousands of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in

fifty-cent and one-dollar sizes. You may have a sample bottle by mail free, also a pamphlet telling you home or awamp-Root how to find out if you have kidney or

bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root-if you do you will be disappointed.

At a conference on hospital social service in New York city one of the speakers said that the hospital of the future must keep a record of the social histories of all patients, just as now their medical histories are kept. Told of quick relief-of lasting benefit.

The facts are now confirmed. Such testimony is complete-the evilence is conclusive, It forms convincing proof of merit.

W. W. Vanderveer, Paw Paw, says: I can recommend Doan's Kidney Pills at this time as highly as I did in 1906. I have been free from kidney complaint since using this remedy."

On November 6, 1906, Mr. Vanderveer said: "For several years I was a travel ing salesman and my kidney trouble was brought on by the jarring I received when riding over rough roads and the different kinds of water I was obliged to drink. My back was very weak and there was a dull ache in my loins and shoulders. I could not rest well and though I tried plasters and remedies of every description, I found no relief. Doctors also prescribed medicine for me, but I continued to suffer until I began taking Doan's Kidney Pills. In three days the backache disappeared

and it was not long before I was cured." For sale by all dealers: Price 50 cents. Poster Milburn Co., Buffalo, New York, sole agents for the United States.

WHITE PIGEON BROUGHT LUCK

Perched on Wheel Box of the Fishing Boat and Gave It Fine Maiden Trip.

It is one of the pet beliefs of the fishing fleet folk that when a white bird flies aboard a ship at sea good luck is bound to follow. And if a white bird happens to fly aboard a brand new craft it insures the vessel with all kinds of joy forever. Out on Georges, two weeks ago today, a little pigeon fluttered down on the deck of the good ship Mary, perching on the wheel box. Result-good luck. Although Capt. Whallen's boat struck mighty hard weather, it came through without a scratch and landed 130,000 pounds of mixed ground fish, mostly hake and cusk, which is pretty near-

ly the record catch for a maiden trip. The pigeon looked as though it had had some pretty hard luck itself before it fell in with the Mary, however. One of its wings was badly torn, as though a gull or a hawk had taken a piece out of it. The men aboard took good care of the pigeon, giving it plenty of food, although they made no attempt to confine it to any one part of the vessel The bird made friends with every one especially the cook, and refused to eat except out of the men's hands. As the Mary came up the harbor this morning, the bird was adeck. Abreast of Governor's Island he suddenly took wing and flew away. The men said it looked to them as though the bird had recognized his surroundings in the inner harbor and had flown for home .-Boston Globe.

High Prices for Old Furniture. People who dislike to part with their old furniture may derive encouragement as to the increasing value of such possessions from a recent auction sale in France, at which an old sofa and four chairs brought \$50,000. The set, however, was covered with Gobelin tapestry of the period of the Regency, and probably cost a goodly sum even when new. At the same sale a string of pearls brought \$99,000.

Would That This Were True. The principal authors met and formed a union for the sake of publishing a set of rules of writing. As a preliminary, they agreed that after this no hero would be permitted to flick the ashes from his cigarette or cigar. Also that no heroine shall hereafter bury her head in her hands or drop her eyes to the floor. The full set of restrictions will be announced later .-
